is an accredited volunteer examiner with the W5YI-VEC Examining Program. This authority is granted under and subject to the Terms and Conditions of Public Law 97-259 (September 14, 1982) authorizing the use of volunteers to prepare and administer amateur radio operator license examinations. All volunteer examiners agree to abide by FCC regulations (Part 97) and W5YI-VEC policies (W5YI-VE Manual.) Neither this accreditation nor the rights granted thereunder shall be assigned or otherwise transferred to any other person. Accreditation as a volunteer examiner may be withdrawn by the VEC or cancelled by the VE at any time. This accreditation is authorized to be valid concurrently with the term of the granted FCC amateur license and must be renewed with W5YI-VEC upon renewal of the amateur license with the FCC to remain valid.
