Rusty:

I have received the agency verification letter stating your continued role as a Communication Unit Leader (COML). Based on this submission, your status as a Georgia COML has been renewed for another three year period beginning today, with a new expiration date of October 7, 2018.

I appreciate your willingness to participate in our planning, training and exercise efforts to help with improving interoperable communications for Georgia. Without champions such as yourself it would be very difficult for us to take on these challenges alone so your support is greatly appreciated. If you have any questions or concerns, please do not hesitate to contact GEMA at 404-635-7000. Thank you for your time.

Sincerely,

Nick Brown  
Statewide Interoperability Coordinator  
Homeland Security Division
