Rusty Welsh
Deputy Director
Columbia County Emergency Management Agency
Post Office Box 49
Evans, GA 30809

Dear Rusty,

On behalf of our Brandon Wilde residents and our Endowment Board, I express our most sincere appreciation for your presentation to our residents about the Columbia County Emergency Management Agency on September 9, 2014. I have received many compliments on how informative your presentation was and how well it was presented. The slide show on the "Winter Storm" was interesting and very well received. Your offer for a tour of the Operations Center in October was appreciated and a number of our residents have already signed up for the tour.

A very special thanks to you for a job very well done and for your spending time with us.

Sincerely,

Ev Greenwood
Endowment Board Member
