Dear Mr. Welsh,

Thank you for your support of the *Pathway for Success Career Vehicle Awareness Day* at McCormick County K-12 School Complex. Your support provided our students with firsthand knowledge of opportunities offered through the Law, Public Safety, and Security and Communications Technology Career Clusters.

We applaud individuals such as you who are willing to extend learning opportunities that help our students make the connection between academics and the world of work. Your willingness to involve yourself in education, serves to motivate and inspire our students to look forward to tomorrow's global opportunities and a brighter future.

Again, we thank you for investing your time to inspire the hopes, dreams, and goals of our students as they continue on the pathway toward a successful future.

Sincerely,

Sherry Moore
Certified Career Development Coordinator
